BILL NO. S-86-08-33

SPECIAL ORDINANCE NO. S-15286

AN ORDINANCE approving Change Order No. 3 and FINAL for Southwest Interceptor S-1, Res. 407-85, with John Dehner, Inc., in connection with the Board of Public Works and Safety of the City of Fort Wayne, Indiana.

NOW, THEREFORE BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That Change Order No. 3 and FINAL for Southwest Interceptor S-1, Res. 407-85, with John Dehner, Inc., in connection with the Board of Public Works and Safety, for:

> This Change Order needs to be rescinded and withdrawn because of the following: During final negotiations with the property owners for subject resolution with Fred McCulloch, Land Acquisition Agent, it was WPC Dept.'s understanding that the City had a firm commitment from one of the property owners for a 16" casing and bore as final settlement for all easement claims. As it turns out, the property owner has reconsidered his position and with his attorney, the property owner has requested a cash settlement. The case settlement is approx. 1/3 the cost of the proposed bore. Therefore, it is a savings (approx.) of $9,000.00 to the City of Fort Wayne. Further, the attached revised final change order reflects additional work that was required by our land acquisition agent to correct drainage problems, which work was justifiable. Without this correction, the property owners wouldn't execute the release document;

involving a net increase of Nineteen Thousand Three and 95/100 Dollars ($19,003.95.), all as more particularly set forth in the specifications, and which is on file with the Office of the Board of Public Works and Safety and is by reference incorporated herein, made a part hereof, and is hereby in all things ratified, confirmed and approved.

SECTION 2. That this Ordinance shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.
